FROM THE DIRECTOR'S DESK

Dear Christu Jayanthi family,

The months of June and July have beautifully unfolded the essence of our mission at Rajagiri Christu Jayanthi Public School—to nurture young minds with wisdom, compassion, and purpose. As we look back on this season of renewed academic fervour and joyful celebration, we are reminded that true education is a harmonious blend of knowledge, values, and creativity.

FROM THE PRINCIPAL'S DESK

Dear Parents, Students, and Well-wishers,

The past two months have been a vibrant journey of learning, creativity, and celebration at RCJPS. June and July marked the true beginning of our academic year, filled with events and activities that not only nurtured our students' intellectual growth but also enriched their cultural and social experiences. Our classrooms came alive with innovative teaching methods, while co-curricular activities provided opportunities for our students to showcase their talents and teamwork. Each event - whether academic, artistic, or sporting - was a reminder of our school's unwavering commitment to holistic education. As we reflect on the achievements of these months, we express our heartfelt gratitude to our dedicated staff, enthusiastic students, and supportive parents who make this journey remarkable. The success of every initiative stands as a testament to our shared vision of excellence and growth. May this edition of Glimpses serve as a window into the spirit of our school community-dynamic, resilient, and ever striving for greater heights.

Mr. Abhijith N. A., Principal

SEEKH 2025–26: EMPOWERING EDUCATORS, ENRICHING FUTURES

To usher in the new academic year, the faculty of Rajagiri Christu Jayanthi Public School participated in Seekh 2025-26, a thoughtfully curated Orientation Programme held at the Rajagiri School of Engineering and Technology. With the core aim of preparing teachers to effectively respond to the dynamic educational environment shaped by the NEP (National Education Policy), NCF (National Curriculum Framework), and the ever-expanding role of technology in classrooms, the programme provided vital insight and practical strategies.

One of the key sessions was led by Rev. Fr. Benny Nalkara CMI, Provincial and Manager of the Rajagiri Group of Institutions, who spoke on the life and educational vision of St. Kuriakose Elias Chavara. Throughout the two-day event, faculty from the college led insightful and interactive sessions that sparked reflection and professional growth.

It was very early in the morning and still dark. Jesus got up and left the house. He went to a place where he could be alone. There he prayed. Mark 1: 35

Prayer was important to Jesus. He loved talking with His Heavenly Father. No matter how tired or busy he was, Jesus always spent time praying. Jesus wants us to pray too. He teaches us how to pray. And we have many great reasons to pray.

Jesus took special time out to pray. We should do that too. Thanks for being someone I can always talk too.

Congratulations

YOU HAVE MADE US PROUD

May today's success be the beginning of tomorrow's achievements.
