RCJPS

VOLUME: XI ISSUE: 07 & 08 OCT. - NOV. 2025

FROM THE DIRECTOR'S DESK

Dear Christu Jayanthi Family,

The past two months have reminded us once again that a school grows not only through its events, but through the dedication, attitude, and steady efforts of its students and teachers. What stood out during October and November was the spirit with which our young learners embraced every opportunity—whether in academics, arts, sports, or service.It has been encouraging to watch students take initiative, work together, and support one another. Their confidence, curiosity, and willingness to learn reflect the values we hope to nurture in every child who walks through our corridors. I am equally grateful to our teachers, whose guidance and commitment continue to shape a vibrant and positive learning environment.As we step into December, we move into a season of reflection and gratitude. It is a time to pause, appreciate our progress, and look ahead with renewed hope. I encourage our students to continue exploring, questioning, and challenging themselves—to grow not only in skill but also in character.With the festive season approaching, I extend warm greetings to all. May Christmas bring peace and warmth to every home, and may the New Year open new paths of learning, growth, and fulfilment.

Wishing you a Merry Christmas and a Happy New Year.

Fr. Varghese Puthusserry CMI, Director

FROM THE PRINCIPAL'S DESK

Dear Parents, Students and Well-wishers,

The months of October and November were filled with meaningful activities and joyful moments at our school. Our students actively took part in SIGNUM 2025 - Maths Fest, Eureka Science Fest, and Catharsis - the Interschool Psychology Fest, showcasing creativity, curiosity, and teamwork.The Cleanliness Drive held as part of Gandhi Jayanthi helped students understand the value of responsibility and community service. We also celebrated Teachers' Day and Self-Governance Day, giving students a chance to experience leadership roles.Both the Primary and Senior Sports Days were vibrant with energy and healthy competition. The Children's Day celebrations and the Air Force Day Carnival added fun, excitement, and memorable moments for our students.Career guidance sessions, Cultural Day, and participation in various interschool competitions—including the Kalotsav, where our students achieved commendable results—further enriched learning during these months.As we bring this newsletter to you in early December, we extend our warm wishes for a Merry Christmas and a Happy New Year. May the festive season bring joy, peace, and new beginnings to all.

Wishing you a Merry Christmas and a Happy New Year.

Mr. Abhijith N. A., Principal

"WALKING IN FAITH, GROWING IN GRACE"

Faith is at the heart of our school's mission and daily life. Every First Friday of the month, our school community gathers to celebrate the Holy Mass, coming together in prayer, thanksgiving, and unity. It is a special time for students and staff to strengthen their faith and seek God's blessings for the month ahead. The previous day, we observe the sacrament of Confession, providing our students with a meaningful opportunity to reflect, renew their hearts, and experience God's mercy. Through these monthly spiritual gatherings, we strive to instill in our students the values of faith, love, and forgiveness, helping them grow into compassionate individuals guided by God's grace.

SIGNUM 2025 – WHERE CURIOSITY MEETS CREATIVITY

Signum - Maths Fest, organized by the Mathematics Department on 23rd September 2025, aimed to inspire students to view mathematics not merely as a subject of numbers, but as a vibrant fusion of imagination, logic, and innovation. Students from the Primary, Middle, and High School sections participated enthusiastically, preparing well in advance to showcase their creativity and mathematical flair.

Signum - Maths Fest, organized by the Mathematics Department on 23rd September 2025, aimed to inspire students to view mathematics not merely as a subject of numbers, but as a vibrant fusion of imagination, logic, and innovation. Students from the Primary, Middle, and High School sections participated enthusiastically, preparing well in advance to showcase their creativity and mathematical flair.

In the Primary section, young mathematicians brought math to life through delightful sceneries, 3D constructions, and collages of renowned Indian mathematicians. Their colourful and imaginative creations beautifully reflected the joy of learning through art and design. The Middle School students skill fully blended art, mathematics, and technology by designing intricate dioramas using 2D and 3D shapes and developing engaging math-based games using scratch. Their innovative projects demonstrated how mathematical ideas can evolve into interactive and visually captivating experiences. For the High School participants, the fest offered a stimulating platform to test their logical reasoning and visual problem-solving skills. They also curated an informative and visually appealing mathematical bulletin board, showcasing both analytical depth and creativity in presentation. All entries

EUREKA 2025 – JOURNEY FROM CURIOSITY TO DISCOVERY

Eureka - Science Fest, was conducted on 15th October to commemorate the birthday of Dr. A.P.J. Abdul Kalam. The event was inaugurated by Rev. Fr. Varghese Puthusserry CMI, our Director, and Mr. Abhijith N. A., Principal. The key highlight was the Chandrayaan-3 rover model prepared by Grade 11 students, followed by a human chain tribute by Grade 1 students in honour of

Varghese Puthusserry CMI, our Director, and Mr. Abhijith N. A., Principal. The key highlight was the Chandrayaan-3 rover model prepared by Grade 11 students, followed by a human chain tribute by Grade 1 students in honour of

CATHARSIS

A holistic celebration of mental health, healing, and human resilience.

Catharsis unfolded as an inspiring interschool holistic health and wellbeing fest themed The Spectrum of Mind: Psychology in Every Hue. The event celebrated many colours of human emotion, thought, and resilience. Rev. Dr. Saju Madavanakad CMI, Principal and Director of Rajagiri College of Social Sciences, graced the occasion. Students engaged in a range of thoughtfully curated competitions such as Kintsugi, Threads of Resilience, and the Mental Health Stall Exhibition, each encouraging creative expression and deeper reflection. Interactive emotional-exploration zones, stimulating challenges, and engaging games brought psychological concepts to life in meaningful, memorable ways. A highlight of the fest was the immersive Tunnel Experience, guiding visitors through symbolic levels of the mind, along with a dedicated psycho-education stall designed to make psychological science accessible to all. Catharsis 2025 truly illuminated the beauty, complexity, and strength within every mind, one vibrant hue at a time.

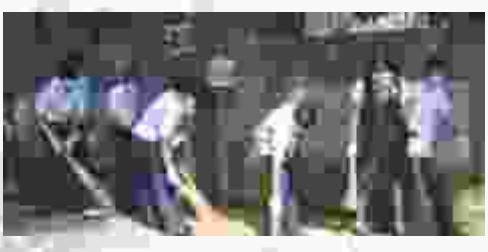

SWACHHATA HI SEVA: A PLEDGE IN ACTION

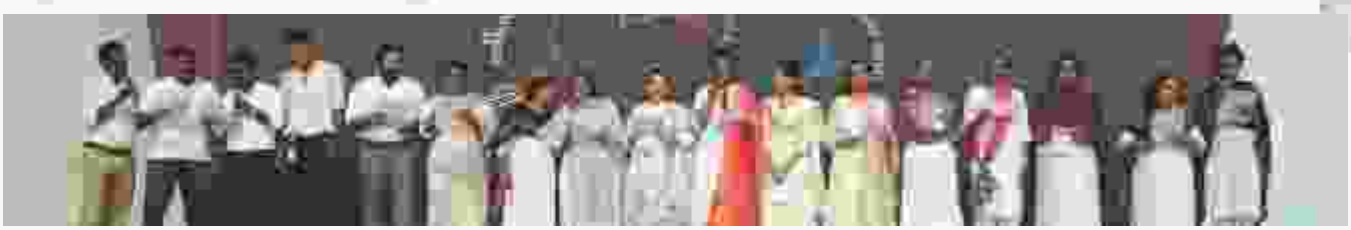

Our school came together to make cleanliness not just a habit, but a responsibility.

TEACHERS' DAY & SELF-GOVERNANCE DAY- HONORING THOSE WHO INSPIRE AND LEAD

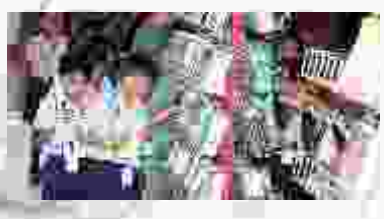

On the occasion of Teachers' Day, a special assembly was conducted by our teachers to celebrate the spirit of guidance, learning, and gratitude. The event reflected the dedication and commitment of teachers who shape young minds every day. Alongside this, Governance Day was observed, where students took the lead by visiting different classes to teach their peers — symbolizing leadership, responsibility, and the value of sharing knowledge. The day beautifully showcased the bond between teachers and students, celebrating learning in its truest sense.

CELEBRATING WORDS, WISDOM, AND CULTURE

An inspiring Book Exhibition was organized by Reading India in collaboration with the Ministry of Culture. The event showcased a diverse collection of books from across India, celebrating the nation's rich literary heritage and vibrant reading culture. . The exhibition served as a wonderful platform to encourage knowledge sharing, creativity, and a deeper appreciation for India's cultural and intellectual treasures.

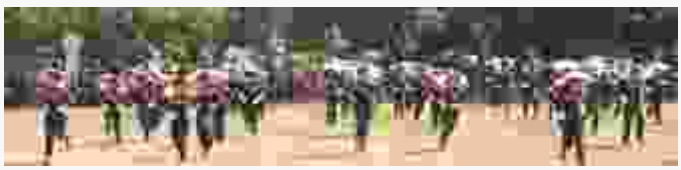

PRIMARY SPORTS DAY - Small Feet, Big Dreams – Every Child a Winner!

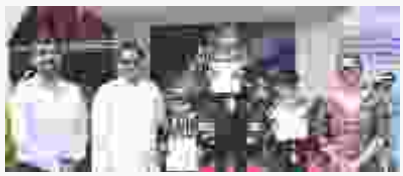

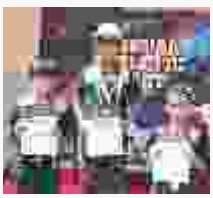

The much-awaited Primary Sports Day was filled with excitement, energy, and enthusiasm. The event was graced by Rev. Fr. Ajeesh Puthussery CMI, Associate Director, RCMAS, Councilor for Education and Communication Media, who honoured the occasion as the Chief Guest. The young athletes participated in various events such as races, relays, and fun games, showcasing their team spirit and sportsmanship. Every child gave their best effort, displaying confidence, coordination, and a healthy competitive spirit. The playground came alive with cheers and encouragement from teachers and classmates, making the day truly memorable. The event concluded with a prize distribution ceremony, where winners were applauded for their achievements, and all participants were appreciated for their enthusiasm. It was indeed a day that celebrated the joy of sports, teamwork, and determination.

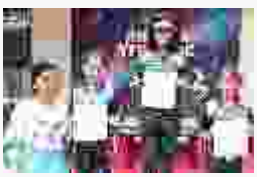

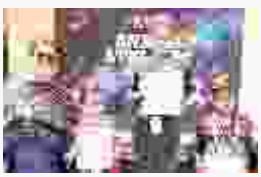

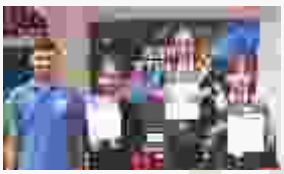

ANNUAL SPORTS MEET 2025 - WHERE CHAMPIONS RISE

The Annual Sports Meet for the senior section was celebrated with great energy, sportsmanship, and team spirit. The event was graced by Rev. Dr. Jaison Paul Mulerikkal, CMI, Principal of Rajagiri School of Engineering and Technology, who honoured the occasion as the Chief Guest. In his inspiring address, he emphasized the importance of discipline, teamwork, and perseverance—values that shine both on and off the field. A vibrant march-past, exhilarating track and field events, and spirited participation from all houses made the day truly memorable. The athletes showcased exceptional skill, determination, and camaraderie, reflecting the true essence of sports. After a series of closely contested events, Sapphire House emerged as the Overall Champions, celebrating a well-deserved victory. Topaz House secured the position of First Runners-Up and Emerald secured the Second Runners-Up, displaying commendable effort and dedication throughout the competition. The day concluded with the prize distribution ceremony and the school anthem, marking another successful and inspiring chapter in the school's sporting tradition.

NURTURING TALENTS, BUILDING SKILLS

To encourage holistic development and experiential learning, our school has launched various student clubs and introduced skill-based education programs. These initiatives aim to provide students with opportunities to explore their interests, develop creativity, and gain practical knowledge beyond textbooks. Through active participation in different clubs and skill sessions, children learn teamwork, leadership, and problem-solving — preparing them to face future challenges with confidence and competence.

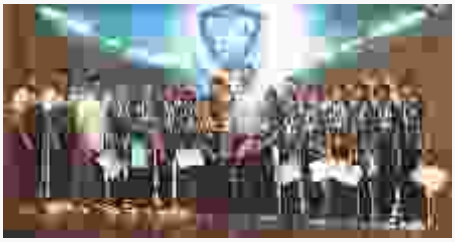

RCJPS CUP - Interschool Kho-Kho Tournament

Interschool Kho-Kho Tournament held on 18th November at RCJPS.

Winners : S.N. Public School, Poothotta **Runners-up** : RCJPS, Kakkanad

AIRFORCE DAY CELEBRATION 2025

Sqn Ldr Saurabh Sharma from the Indian Air Force addressed the students of Grades 6 to 9, sharing his inspiring experiences from his service. He spoke about the various career opportunities in the Air Force and explained how students can prepare to join this esteemed institution, motivating them to dream big and serve the nation with pride.

EXPANDING HORIZONS WITH EVERY STEP!

We are thrilled to inaugurate our brand-new play area for kids, designed to encourage physical activity, creativity, and joyful play. This vibrant space provides our young learners with a safe and engaging environment to explore, socialize, and grow.

MATHS LAB - UNLOCKING THE MAGIC OF NUMBERS

Our newly inaugurated Maths Lab is set to transform the way students experience mathematics. With hands-on activities, interactive tools, and creative problem-solving exercises, the lab encourages curiosity, critical thinking, and a love for numbers.

INSPIRING MINDS TO LEAD WITH PURPOSE

Rev. Fr. Martin Mallath CMI, Councillor for Education, conducted an inspiring orientation session for teachers. His words motivated the faculty to embrace responsibility with dedication and personal commitment. The session encouraged teachers to take initiative, led by example, and bring positive change in the teaching-learning process.

ARTS FEST - A CANVAS OF CREATIVITY AND TALENT

The school celebrated its much-awaited Arts Fest with great enthusiasm and artistic spirit. The individual events were conducted last month, giving students an opportunity to showcase their unique talents in various art forms such as music, dance, and literature. The group events brought a wave of teamwork and creativity, as students collaborated to present captivating performances in dance, drama, and music. The festival truly highlighted the artistic potential of our students and fostered a sense of unity, expression, and joy throughout the campus.

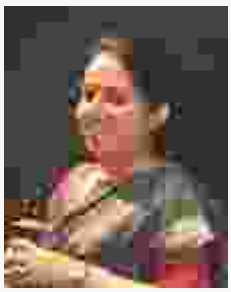

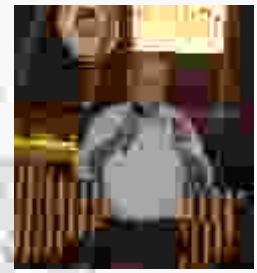

IGNITE – A HOLISTIC STUDENT AWARENESS

Mrs. P.I. Sreevidya, IAS, addressed the students of Grades 10 and 12, sharing valuable insights on how to prepare for and crack the UPSC examinations. She motivated the students to set clear goals, stay disciplined, and develop a strong foundation from an early stage to pursue a successful career in civil services.

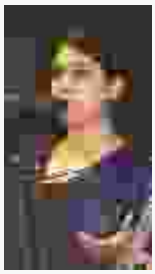

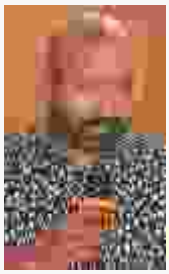

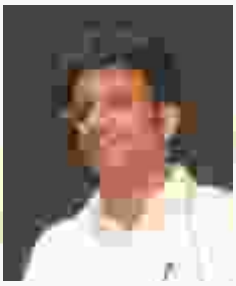

A special session by Dr. Manoj G Tharian was conducted for the students of Grades 10 and 12, where he introduced the various branches of engineering and the wide range of career opportunities each field offers. The session helped students gain valuable insights into choosing the right engineering path based on their interests and strengths.

Dr. Vinod Franklin and Dr. Archana Balachandran, conducted an insightful session on adolescent issues and related matters for the students. The doctors discussed the physical, emotional, and social changes that occur during adolescence and provided valuable guidance on maintaining good health and positive habits. The interactive session encouraged students to express their thoughts and clarified common doubts, helping them gain a better understanding of this crucial stage of life.

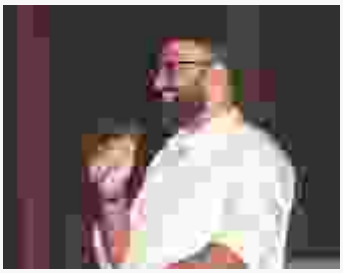

Mr. Hormise Issac Vithayathil conducted an engaging session for the students of Grades 10 and 12 on the scope and opportunities in the field of architecture. He explained the creative and technical aspects of the profession, highlighting the skills required and the diverse career paths available for aspiring architects.

Adv. Ambrose Jude D'Cruz addressed the students of Grades 10 and 12, offering an insightful session on the legal profession and the various courses available in the field of law. He explained the diverse career paths within the legal domain and guided students on how to pursue a career in law, helping them understand the importance and scope of the profession in today's world.

Mr. Sebin P. Varghese, a trainer in child psychology and counselling, conducted an inspiring session for the students, emphasizing the importance of taking life seriously and managing time effectively. He guided the students on developing a positive attitude, setting priorities, and balancing academics with personal growth for a successful future.

Dr. Rahul R. Lexman, Assistant Professor at Rajagiri Business School, delivered an insightful session for Grades 10 and 12 on the concept of management. He explained what management is, how a manager functions in different settings, and the various roles and opportunities available in the field. The session helped students understand the skills and mindset required to become effective future managers.

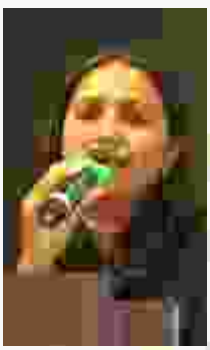

Mr. Rajesh T., HR Mentor and Director of CEST, conducted an informative session for the students of Grades 10 and 12, highlighting the wide range of courses available after school. He also guided students on how to assess their aptitude and choose the right career path based on their interests and strengths.

Young Indian conducted an engaging session for students of Classes 6 to 9, aimed at empowering them through awareness and essential life-skill development. The Masoom Programme focuses on child safety, helping students recognise safe and unsafe situations. The Health and Wellness vertical promotes good hygiene practices, balanced nutrition and emotional well-being. Through the Digital Safety module, students learn responsible online behaviour and ways to protect themselves from cyber risks. The Environment and Sustainability vertical encourages children to adopt eco-friendly habits, while Life Skills sessions help build communication, confidence and decision-making abilities. Together, these initiatives contribute to shaping informed, responsible and confident young citizens-equipped to thrive in a rapidly changing world.

CYBER SECURITY

Arun P, Senior Civil Police Officer, and Rajana K V, Councillor, conducted an interactive session for students of Grades 6 to 9 on the importance of protecting one's identity on the internet. During the session, they advised students on ways to stay safe in the digital world and use technology responsibly. He emphasized the importance of awareness, caution, and ethical behaviour while navigating online spaces.

They said to him, "You are old. Your sons don't live as you do. So appoint a king to lead us. We want a king just like the kings all of the other nations have." *-Samuel 8:5*

God always knows what is best. But God lets his people make decisions.

God's people wanted a king who would take care of them. God did not want that. He wanted to be their King. God gave the people a warning, but they did not change their minds. So God gave the Israelites a king.

God, thank you for helping me make good choices.
