FROM THE DIRECTOR'S DESK

Dear Christu Jayanthi Family,

The months of December and January at RCJPS unfolded as a meaningful blend of expression, discipline and forward movement. The grand Annual Day, Voyage for Wisdom, for Grades VI to XII stood as a vibrant celebration of talent, teamwork and thoughtful presentation, bringing together creativity and learning on one stage. The Christmas observance added warmth and reflection, enriching the spirit of the season within the campus.

Alongside these moments of celebration, academic commitment remained strong. The Pre-Board examinations for Grades X and XII were conducted, giving students valuable examination exposure and direction as they prepare for their Board journey. The new year opened with renewed focus and determination toward academic goals.

Our Primary Day programmes for Grades I-II and Grades III-V were another highlight, showcasing the confidence, joy, and emerging abilities of our young learners. PTA Vibranz 2025-26, the first PTA Fest, added a dynamic dimension to the school calendar, reflecting active engagement and shared participation. These months once again illustrate how learning flourishes when opportunities for creativity, assessment and participation go hand in hand in hand-shaping not only successful students, but confident individuals.

Another significant milestone was PTA Vibranz 2025-26, our first PTA Fest, which added fresh energy and participation to the school community platform.

Mark 1:35 - It was very early in the morning and still dark. Jesus got up and left the house. He went to a place where he could be alone. There he prayed. Prayer was important to Jesus. He loved talking with his heavenly father. No matter how tired or busy he was. **Jesus took special time out to pray. We should do that too.**
