VOL. 17 NO. 3 JAN - MAR 2026

FROM THE DIRECTOR'S DESK

Dear Christu Jayanthi Family,

As we come to the close of another joyful and enriching academic year, my heart is filled with happiness and gratitude. Our Kindergarten corridors have been alive with laughter, curiosity, creativity, and countless precious moments that we will always cherish.

To our dear children, you have filled our school with your innocent smiles, playful energy, and eagerness to learn. Each day with you has been a celebration of growth and discovery. As you step into your summer vacation, remember that learning does not stop—keep exploring, asking questions, reading little stories, drawing your dreams, and most importantly, enjoying every moment with your family.

We will truly miss you during these vacation days—the cheerful greetings, the tiny footsteps, the happy chatter, and the boundless enthusiasm that make our Kindergarten so special. The school will certainly feel quieter without you!

Dear Parents, thank you for your constant support, trust, and cooperation throughout the year. Your involvement has played a vital role in shaping these young minds and nurturing their confidence.

As the summer unfolds, I encourage all our children to spend quality time with their loved ones, engage in creative play, explore nature, and limit screen time. Let this vacation be a time of bonding, relaxation, and joyful learning.

Wishing each one of you a safe, happy, and refreshing summer vacation. We look forward to welcoming our little stars back with brighter smiles and renewed energy in the upcoming academic year.

With warm regards and best wishes,

Fr. Varghese Puthusserry CMI, Director

FROM THE HEADMISTRESS

Dear Parents,

As we step into the joyful days of summer vacation, we would like to take a moment to sincerely thank our dear children and their wonderful parents for the enthusiastic and active participation in all the school activities throughout the year. Your support, cooperation made every program a grand success.

A special appreciation to our little stars for their class assemblies on stage, speaking, singing, dancing and performing in front of an audience has truly strengthened their confidence and self-expression. These opportunities have helped them overcome stage fear and blossom into more assured individuals.

To our lovely children, thank you for your energy, smiles, talents and excitement. You truly brought life to every celebration and learning experience.

Dear Parents, as summer unfolds, we encourage you to spend quality time with your children. Childhood passes quickly and these moments are precious. Engage them in creative activities, storytelling, reading, outdoor play, simple household tasks, art, swimming, music and meaningful conversations.

Kindly try to limit long hours of screen time. Instead, nurture healthy communication at home. Sit with your child, listen to them patiently and most importantly, look into their eyes while speaking to them. Eye contact builds confidence, emotional security and a strong parent-child bond. Sometimes, a few undistracted minutes of genuine attention mean more than hours spent together with devices nearby.

Let this summer be a season of connection, laughter, discovery and beautiful family memories.

Wishing you all a safe, joyful and blessed vacation.

Warm Regards,

Mrs. Charmine Libera, Headmistress
