SEEK -CULTIVATING KNOWLEDGE, CONDUCT, AND CHARACTER

An orientation programme was conducted for the teachers by Rev. Dr. Varghese Kachappilly CMI. In his inspiring session, he high lighted the three pillars of modern education-Academic Excellence, Behavioural Excellence and Character Excellence. He emphasized that true education goes beyond academic achievement, nurturing responsible behaviour and strong moral values in students. The session provided valuable insights and guidance for teachers as they continue to shape young minds with dedication and purpose.

As part of the flagship Teacher Amelioration Programme- SEEKH 2026, a structured professional development initiative to enhance teachers' pedagogical competencies, subject expertise and instructional effectiveness, a faculty enrichment session was conducted on 29 May 2026. The resource person, Mrs. Deepa Chandran, Senior Principal of Sree Sarada Vidyalaya and Sainik School, led an insightful session on "Emerging CBSE Reforms and Skill-Based Education." She highlighted the evolving landscape of education, emphasizing the need to nurture critical thinking, creativity and practical skills among students to meet future challenges. The session offered valuable insights into the latest CBSE reforms and equipped teachers with innovative strategies to enrich the teaching-learning process.

But when Peter saw the wind, he was afraid. He began to sink. He cried out, "Lord! save me!" "Right away Jesus reached out his hands and caught him. 'Your faith is so small,' He said. 'Why did you doubt me?' – Matthew 14 :30–31

Jesus' helping hand is always there to lift us up Even when Peter doubted him, Jesus still came to his rescue! Jesus was like that. He loved no matter what. He cared no matter what. Jesus showed how perfect God's love is for us. Jesus supports us through good and bad. He will always reach out to us if we ask. ***Thank you for supporting me.***
